Welcome to Mercy Occupational Health

Mercy Occupational Health is committed to helping reduce the incidence and impact of job-related injuries. We will be your partner in providing care with confidence, experience and knowledge of the workplace. Mercy offers a full range of corporate health and occupational medicine services to businesses throughout St. Louis, St. Charles, Franklin and Jefferson counties, including:

- Prompt and appropriate treatment, should injuries occur
- Quick and safe return to work
- Communication and reports to keep you informed
- Physical exams and screenings to detect potential problems
- Compliance with industry safety standards (OSHA, DOT, ADA, HIPPA)
- Worksite assessments and education to prevent job-related injuries
- Disability ratings
- Independent medical exams

Additional Services:

- Pre-placement, fitness for duty, annual medical surveillance and periodic exams
- OSHA-regulated respirator exams
- Silica exams
- Firefighter and police exams
- Pulmonary-function testing
- Audiograms
- Drug and alcohol testing
- Substance-abuse random-pull program
- Medical review officer services
- Onsite health and wellness, including biometric screenings
- Travel exams and immunizations
- Vaccinations for employment
